

UNIT 4 CLUSTER 1 SELECTION SUMMARIES

Enabling or Disabling?

Genre: Informational Text

Helping other people isn't always a good thing. This text explores the behavior of enablers—people who enable others to engage in destructive behavior such as lying, drinking to excess, or controlling others.

This I Believe

Genre: Essay

When her daughter died after being in a coma for a year, Isabel Allende thought she had lost everything. Then she realized that her daughter's life had taught her something. She discovered the joy of giving all that you can in life.
