

## What Does Responsibility Look Like?

**Genre:** Persuasive Essay

Many teens yearn to be independent but are unrealistic about what it would be like to take care of themselves. This article gives the straight facts about jobs, apartments, and living expenses and advises teens to remain at home and stay in school.

## Getting a Job

**Genre:** Functional Documents

Ken, a teen who works in restaurants, applies for a new job that he sees advertised in a newspaper. This set of documents includes Ken's cover letter, resume, and job application, as well as a letter of recommendation from his current boss.
