

# UNIT 4 CLUSTER 2 SELECTION SUMMARIES

## They Speak for Success

**Genre:** Article

Many people are afraid to speak in public, which can stand in the way of their future success. In Mr. Lindsey's public speaking class, students learn the skills and confidence they need by competing in forensic competitions.

## Breaking the Ice

**Genre:** Humor Column

In this stumble down memory lane, humor writer Dave Barry recalls his awkward first date with a girl. The teen experience was helped along by a network of friends who did the talking for him, and by his mother, who chaperoned.
