

UNIT 6 CLUSTER 2 SELECTION SUMMARIES

Piracy Bites!

Genre: Persuasive Nonfiction

Two representatives discuss illegal downloading of music. Lamar Smith introduces legislation to criminalize the trafficking of counterfeit music. Edolphus Towns believes encryption technology and consumer responsibility will lead to resolution.

Doonesbury on Downloading

Genre: Editorial Cartoon

This Doonesbury comic strip addresses the issue of Internet piracy. When a teen gives her father a pirated CD, the two argue about whether a generational gap keeps them from seeing eye-to-eye or if piracy is really a sophisticated form of stealing.
